

CNERGYICO WINS 16TH OCCUPATIONAL SAFETY, HEALTH & WELLBEING AWARD

(May 25, 2022): Cnergyico Pk Limited (formerly Byco Petroleum), Pakistan's largest vertically-integrated oil refining company, has received an award from the Employers' Federation of Pakistan (EFP) for securing the first position in the 16th Occupational Safety, Health & Wellbeing Award in the oil refinery sector. The award was presented by the honourable President of the Islamic Republic of Pakistan Dr. Arif Alvi and was received by Cnergyico's Vice President for Information Mr. Azfar Saeed Baig during the prestigious OSHW Conference and Awards Ceremony held in Karachi on 21st May 2022.

Dr. Alvi congratulated Cnergyico and other recipients of awards and expressed admiration for employers who keep their employees safe and enforce high standards of occupational health and well-being.

"We are proud to receive this award from the Employer Federation of Pakistan and it was an honour to share the stage with President Alvi," said Mr. Azfar Saeed Baig. "Since its formation, Cnergyico has been committed to keeping employees safe and healthy. The well-being of employees, who are the backbone of our business, is incorporated in the very fabric of the organization, from our strategic and business planning to day-to-day operations."

For Cnergyico, the well-being of employees is its top priority. The company, therefore, regularly takes measures that help improve the wellness of employees at work and at home. The employee health and safety arrangements at Cnergyico's oil refinery have been audited by EFP, the apex body for employers in Pakistan. EFP lauded Cnergyico's health and safety management systems, praised the company's extraordinary wellness initiatives that extend to the employees' families, and appreciated the company's efforts in the fight against pandemic and climate change.

Mr. Azfar Saeed Baig, Vice President – Information | Cnergyico Pk Limited, receives the award from the President of Pakistan Dr Arif Alvi.

About Cnergyico: Cnergyico Pk Limited is one of Pakistan's leading energy firms, engaged in the businesses of oil refining, petroleum marketing, and petroleum logistics. Cnergyico's mission is to meet the nation's energy. The Company manufactures a wide range of petroleum products with a vision to achieve sustainable productivity and profitability while upholding high environmental, health and safety standards. Cnergyico is Pakistan's largest oil refiner by design capacity, and is the nation's only firm having a dedicated Single Point Mooring (SPM). Cnergyico's SPM is the only floating liquid port in the country, and the company employs a round-the-clock crew dedicated for the safety and security of the buoy and vessels in and around the SPM's anchorage area. The SPM is Pakistan's only terminal having a Tier 3 oil spill response membership.
